## Part 7 — Reading Comprehension

Questions 20–22 refer to the following article.

**Consumer Tech Halston** Aster Home Technologies is betting that a strong warranty will win over cautious buyers. The company has announced that every Aria unit will carry a two-year warranty, with free repair or replacement for any manufacturing defect. Analysts say the generous coverage is a smart move in a market where consumers worry about the reliability of smart devices. However, one expert cautioned that such promises are only sustainable if the product is genuinely durable. "A warranty is a bet on your own quality," she noted. "If too many units fail, the cost of honoring it could be severe."

20. What is the main point of the article? (A) Aria will be sold without any warranty (B) The warranty covers only labor, not parts (C) Aster is cutting its warranty to save money (D) Aster is using a strong warranty to attract cautious buyers
21. What warning does the expert give? (A) The warranty period is far too short (B) Consumers do not care about warranties (C) A generous warranty is risky if the product is not durable (D) The product has already failed on the market
22. The word "durable" in the article is closest in meaning to (A) long-lasting (B) expensive (C) attractive (D) lightweight

Questions 23–25 refer to the following email.

**INTERNAL EMAIL** From: Priya Nair To: Project Aria Leads Subject: Staying on Track

Team, our master plan sets a clear objective for each quarter, and every task now has a firm deadline. Please treat product safety and quality as our top priority — everything else comes second. I have also asked each of you to prepare a short contingency plan in case a supplier fails or a deadline slips. We assessed the biggest risks last week; now we must put those plans into action. Let's make this feasible, not just hopeful.

23. According to the email, what should the leads treat as the top priority? (A) Marketing costs (B) Product safety and quality (C) Hiring new staff (D) Ordering office supplies

24. What has Priya asked each lead to prepare? (A) A sales forecast (B) A new advertisement (C) A résumé (D) A contingency plan
25. The word "assessed" in the email is closest in meaning to (A) ignored (B) increased (C) evaluated (D) postponed

## Đáp án & giải thích

### Part 5

1. **B (warranty)** — "be under warranty" = còn trong thời hạn bảo hành; hợp với "fix it at no cost". *coverage* (phạm vi) không đi với "under" kiểu này; *deadline/benchmark* sai nghĩa.
2. **C (guarantee)** — "a money-back guarantee" = cam kết hoàn tiền. *priority/projection/strategy* sai nghĩa.
3. **A (faulty)** — "a faulty component" = linh kiện bị lỗi; hợp với "swapped it for a new one". *feasible* (khả thi), *strategic* (thuộc chiến lược), *prompt* (nhANH) sai nghĩa.
4. **D (repairs)** — "repairs are carried out free of charge" = việc sửa chữa được thực hiện miễn phí. *objectives/deadlines/projections* không "carried out free" theo nghĩa bảo hành.
5. **B (replace)** — "replace it with a brand-new unit" = thay bằng máy mới. *assess* (đánh giá), *expire* (hết hạn), *implement* (triển khai) sai nghĩa. ⚠️ *replace* (thay) ≠ *repair* (sửa).
6. **C (expires)** — "the warranty expires at the end of year two" = bảo hành hết hạn. *implements/assesses/replaces* sai nghĩa.
7. **A (strategy)** — "a clear marketing strategy" = chiến lược marketing rõ ràng. *warranty/defect/coverage* sai nghĩa.
8. **D (objective)** — "a measurable objective to achieve" = mục tiêu đo lường được để đạt. *warranty/guarantee/repair* sai nghĩa.
9. **C (feasible)** — "confirmed that the plan was feasible" = xác nhận kế hoạch khả thi. *faulty* (lỗi), *contingent* (phụ thuộc), *overdue* (quá hạn) sai nghĩa. ⚠️ *feasible* là tính từ.
10. **B (deadline)** — "the deadline was so tight" = hạn chót quá gấp; hợp với "work late every evening". *coverage/benchmark/warranty* sai nghĩa.
11. **A (priority)** — "the top priority" = ưu tiên hàng đầu. *initiative/projection/defect* sai nghĩa.
12. **D (assess)** — "assess the risks" = đánh giá rủi ro. *expire/replace/implement* sai nghĩa.

### Part 6

13. **A (initiative)** — "lead its own initiative" = mỗi phòng ban dẫn dắt một sáng kiến riêng. *defect/warranty/repair* sai ngữ cảnh kế hoạch.
14. **C (projections)** — "revenue projections for the next four quarters" = dự báo doanh thu. *benchmark/coverage/guarantees* sai nghĩa.
15. **B (benchmark)** — "measured against an industry benchmark" = đối chiếu với chuẩn so sánh ngành. *objective/deadline/priority* sai nghĩa.
16. **D (implement)** — "unless we can implement it on time" = trừ phi triển khai được đúng hạn. *expire/replace/assess* sai nghĩa.
17. **A (defect)** — "develops a defect caused by manufacturing" = phát sinh lỗi do sản xuất. *benchmark/priority/strategy* sai nghĩa.
18. **C (coverage)** — "full coverage includes both parts and labor" = phạm vi bảo hành gồm cả linh kiện & công. *deadline/objective/projection* sai nghĩa.

19. **B (contingency plan)** — "a contingency plan ready to help... if a large-scale problem arises" = kế hoạch dự phòng. *benchmark/guarantee/initiative* sai nghĩa.

## Part 7

20. **D** — bài nói Aster **dùng chế độ bảo hành mạnh để thu hút khách còn e ngại** ("betting that a strong warranty will win over cautious buyers"). (A)/(B)/(C) đều trái nội dung.
21. **C** — chuyên gia cảnh báo **bảo hành hào phóng sẽ rủi ro nếu sản phẩm không bền** ("only sustainable if the product is genuinely durable... if too many units fail, the cost... could be severe"). (A)/(B)/(D) không đúng.
22. **A (long-lasting)** — "durable" = bền, **lâu hỏng**. *expensive/attractive/lightweight* sai nghĩa.
23. **B** — email yêu cầu coi **an toàn & chất lượng sản phẩm** là ưu tiên số một ("treat product safety and quality as our top priority"). (A)/(C)/(D) không phải trọng tâm.
24. **D (a contingency plan)** — Priya yêu cầu mỗi lead chuẩn bị **kế hoạch dự phòng** ("prepare a short contingency plan"). (A)/(B)/(C) không được nêu.
25. **C (evaluated)** — "assessed the risks" ≈ **evaluated** (đã đánh giá). *ignored/increased/postponed* sai nghĩa.
